

I, _____, representing _____, hereby declare my support for the manifesto of the European Future Citizens Project. This manifesto outlines the critical areas of challenges identified across the participating partner countries and presents key recommendations for different policy areas to address these challenges effectively.

By signing this letter of commitment, I affirm my intention to support and advocate for the implementation of the manifesto's recommendations. I recognise the importance of fostering collaboration among stakeholders, empowering youth, and contributing to building a more inclusive and active European community.

I understand that my support will help amplify the impact of the project and ensure that the manifesto's insights lead to concrete and positive changes.

Signed,
